With technological advances, a cost savings of \$45,000 in printing and related costs could be made biennially if budget documents were distributed on CD/DVD media rather than the current paper copy. The budget is an "Official Report; Class 3 Printing" document

Modify section 35.265 to allow budget documents to be distributed on CD/DVD rather than paper. Clarify that using CD/DVD media meets the distribution requirements under s. 16.43 and s. 16.46.
